Additional useful information

Shopping

There is a small grocery shop in the marina. There are Konzum and Lidl supermarkets in 500 meters.

Money exchange

You can use your credit card in marina Kastela but many other places in Croatia especially in small restaurants or shops you can pay only cash and so you should always have cash in pocket. There is an ATM in the marina but the rate is not very good. Better to get cash at the ATM at Konzum or look for private exchange office.

Visiting Split or Trogir

There are taxis always available at the entrance of marina and so it is easy to get into Split or Trogir for evening or night activities. Uber also available in Croatia. Install Uber app on your smartphone and use it.

Fuel

You should fill up the boat with fuel before the end of charter. There are filling stations in Split, Milna and in Solta island. Please check the pilot book or your navigation system for more details.

Parking

Parking is available in the marina. Price apr.: 50 EUR/car/week

Berthing in marinas

In high season it must be hard to find available guest berth in marinas after 3pm in Croatia. You should better reserve it a day before online.

Travelling to Kastela

There is SPLIT airport located in 7kms away from marina where you can fly from many large hubs in EU in season or through Zagreb. The charter company can arrange pick-up for you.

Travelling by car is very easy. Just simple type into your navigation system (Waze or Google, or car navigation) Marina Kastela and you will be navigated to the main entrance of the marina.

ENJOY YOUR VACATION!
